SAINT AUGUSTINE FEB 21 19 FLA.

U.S. POSTAGE ONE CENT

Address

Miss Eva Schill,
Jamison,
Penna.

Dear Eva - The temperature here has been 70° + 75° the last two days, & we have had no rain for six weeks. We had for dinner today Okra & tomatoes. This is one of the oddest churches in the U.S. We have seen practically the oldest city gates, the oldest house, the fountain of youth, the fountain of living waters, & the oldest tree.
